R M Begg  
Kyneton Aged Care

**If the answer is YES please read on.**

At R M Begg Kyneton Aged Care we pride ourselves on being a Community "Not For Profit" organisation of excellence, providing high quality aged care services to the people of Kyneton and the Macedon Ranges. We have a tradition and history that we are proud of and strive to develop and deliver high quality aged care services for future generations.

You may not realise that R.M. Begg Kyneton Aged Care receives no funding from the Government for our current building project. This building project is required to meet Government regulations and will cost in excess of \$10,000,000,00. This will also allow us to provide more suitable accommodation for our increasingly frail residents.

Throughout the history of R M Begg Aged Care, we have relied on the generous support of members of the community and surrounding areas. A gift towards our *Giving Appeal* will provide immediate support, serving to upgrade our facility and enrich the care of our residents.

We often receive feedback from residents expressing their experience of R M Begg Kyneton Aged Care as the home they have come to know.

*"I am 85 years old and have been living at RM Begg - Kyneton Aged Care for four years now. I feel extremely lucky to be in the care of such fabulous staff. I think living at R M Begg Kyneton Aged Care must be "what heaven is like".*

Families and friends of current and past residents have also shared their thoughts on the excellent care.

*"As a family we have had a 13 year relationship with R M Begg Kyneton Aged Care with both my mother and mother-in-law being residents. My mother was a resident for over 9 years and my mother-in-law for almost 3. When my mother-in-law was dying, the staff went above and beyond the call of duty to ensure that she remained in her place of choice. At all times her dignity was maintained, she received outstanding care, and it was lovely to see staff from all levels- carers and cleaners alike- just pop in to pay their last respects. It typified their devotion to the residents."*

Please join with me in supporting our wonderful Community "Not For Profit" facility through our *Giving Appeal*. This appeal is for everyone. No gift is too small and all gifts are tax deductible. Every donation to our current and future building program will make a difference to the care we seek to provide to our valued residents.

Yours sincerely
